Introducing our new “Cathedral” Divine Mercy Image!

We have just completed our new “Cathedral” Divine Mercy image which was painted in oil, on canvas, and delivered to the Cathedral of St. Mary’s in the Archdiocese of Miami. It will be displayed on May 1st for the celebration of the beatification of the Venerable Pope John Paul II on Divine Mercy Sunday.

Canvas and paper reproductions of this 7 foot tall image can be obtained at any size, starting from 3 feet on up to 10 feet tall or larger for your parish or home. The detail in this new image is superb. It was commissioned by us to obtain a high definition image base for large “Cathedral” size reproductions.

Go to www.DivineMercyPictures.com to print out our catalog. We have framed “Cathedral” images in stock, ready to ship. You may also call us toll-free at 1-888-732-0722 for orders or pricing info.
